

The Innovation You Can Hold on to

SWAROVSKI
OPTIK

The Ultimate in Birding

SLC BINOCULARS

8x30 WB • 7x42 B • 10x42 WB
7x50 B • 8x50 B • 10x50 WB • 10x56B

PRODUCT ADVANTAGES AT A GLANCE

Fully Waterproof: to 5 metres

Dust Proof

SWAROTOP[®] and SWARODUR[®] multi layer coatings for particularly bright and colour-true images

Roof prism systems: phase-corrected coating and broad-band coating for high resolution and contrast

Interior focusing system: guarantees that the instrument is dust and water proof

Wide-angle eyepiece: for the 8x30 WB, 10x42 WB and 10x50 WB

Close-up range: adjustability to 4 m/4.4 yds (objective lens 30/42) or 5 m/5.5 yds (objective lens 50)

Armouring: soft, easy to grip, shock and noise dampening

Easy to operate: central focusing and central dioptric adjustment as well as a well-balanced distribution of weight

Twist-in eye cups: fast retractable for eyeglass-wearers; the 7x42 B, 7x50 B and 8x50 B models have two intermediate locking positions for individual adaptation of eye relief

Nitrogen filling: prevents the interior from fogging up

Service life: robust and durable

Tripod connection thread: on all models with an objective lens diameter of 42 mm and more

Colours: green and black

Cordura carry case supplied with 8x30 WB, 7x42 B and 10x42 WB models

30 year warranty
