

working together we CAN make a DIFFERENCE

Forest and Bird, New Zealand's largest environmental organisation, is involved in a wide range of conservation work. We are a registered charity which works to preserve and protect the indigenous flora and fauna and natural features of New Zealand for the benefit of the public including future generations. Current Forest and Bird membership is 40,000, and the Kiwi Conservation Club, for young people, has an additional membership of 6,000.

Forest and Bird is helping to:

- Protect natural areas including forests, tussocklands, wetlands and rivers.
- Preserve threatened species such as kakapo, kiwi and the yellow-eyed penguin.
- Save dolphins, seals and seabirds by ending damaging fishing practices.
- Promote a safe environment, free from pollution.
