## NZ BIRDSONG ISLAND

There is a special place, where the air is unbelievably fresh, the scenery gloriously rich and the birdsong closer than you've ever experienced. Let the magic of this treasured island unfold as you cruise the coastline to Tiritiri Matangi – world renowned bird sanctuary.

Embark on a guided walk and discover the honest delight of nature and rare native birds- safe in their natural habitat.

Ask about the recent release of the endangered Tuatara, the sole survivor of an ancient line of reptiles.

Dedicated conservationists have carefully encouraged growth back into the island creating a rich legacy for the future.

Visit Tiritiri Matangi and take home treasured memories of a very special island.
