*Forest & Bird* is published every February, May, August and November by the Royal Forest and Bird Protection Society of New Zealand Inc. The Society's objectives are to preserve and protect the indigenous flora and fauna and natural features and landscapes of New Zealand for their intrinsic worth and for the benefit of all people. *Forest and Bird* is a member of the World Conservation Union and affiliate of BirdLife International. The opinions of contributors to *Forest & Bird* are not necessarily those of the Royal Forest and Bird Protection Society, nor its editor.

*Forest & Bird* is printed on paper from sustainably managed plantation forests.
