

What do You Know About Babies ?

GUINEAS FOR THE BEST SUGGESTIONS

THIS month we offer a prize of One Guinea for the best suggestion that has reference to a baby. It can concern Baby's health, food, dress, play, or anything else that is of importance to his existence.

As long as it deals with Babies, and is useful, it is eligible for this Competition: but make your suggestions as brief and helpful as possible.

Write out your suggestion on a sheet of paper (*please write legibly and on one side of the paper only*), and your name and address and the title of the suggestion on the attached form, and post it to us. Only one suggestion can accompany each form.

For the Best Suggestion received, in the opinion of the Editor, we will award

A PRIZE of ONE GUINEA

and for all others we may publish we will pay HALF-A-CROWN—so that even if your hint is not adjudged quite the best, your effort will probably not be wasted.

Only three conditions attach to this Competition:—

- (1) The Editor's decision is absolutely final, and no correspondence can be entered into with regard to the competition.

- (2) Each entry must be accompanied with the form below, duly completed. Only one suggestion may be sent with each form, but there is no limit to the number of suggestions you may enter.

- (3) No member of the staff of THE LADIES' MIRROR, nor any person connected with the journal, may compete.

Mark the Left-hand top corner of your Envelope "Babies."
Last day for Entries to reach this office, August 25th.

Results will be announced in our OCTOBER ISSUE (published end of September.)
