

# Can you imagine anything nicer for a summer day

COOL, luscious slices of golden pineapple, floating in sweet, clear syrup, and crowned with creamy, tongue-tempting custard — doesn't the very THOUGHT make your mouth water?

THINK what it will mean to your men-folk to come in from the glare of the sun and the dust of the streets and find such a dish awaiting them!

CHOOSE your pineapple carefully, slice it evenly, and make your custard in the Edmonds way. Edmonds Custard Powder makes irresistible custard—the rich, creamy sort which all the family loves.
