

Long Service Proves
WINSTONE'S TILES
the Cheapest and Best
of All Roofings

Roofing economy is determined not only by how much it costs—but by *how long it lasts*. ☐ A Roofing that will last practically for ever is worth considerably more than twice as much—but fortunately you don't have to pay even that much. ☐ No painting. ☐ No expense for repairs, and improves with age. ☐ You can buy a *Winstone Tiled Roof* at a price only slightly greater than common iron, and you get a roof absolutely guaranteed waterproof—warm in winter, cool in summer, noiseless in wind and storm, and acknowledged by experts to be one of the finest natural earthenware tiles produced in the world.
