The Pains of

NEURITIS SCIATICA LUMBAGO, Etc.

In the past, light ray treatment has been confined to hospitals, doctors, and to expensive special treatment. The Monarch Sunlamp now brings this treatment into your own home. With this simple hand-lamp it is possible to employ light therapy (as the best authentic healing agent) without great difficulty or expensive apparatus.

The "MONARCH" Rheotherm Medical Hand-Lamp —

soothes and heals by Infra-red, Chrome and Radiant Heat, all acute conditions of injury, pain and inflammation. The "Monarch" Radiating Hand-lamp consists of a highly polished nicked brass parabolic mirror, with a black polished protective ring (for the protection of the skin against heat), and black polished wood handle. It includes a 7ft. connecting cord with the necessary contacts, and three natural coloured glass special lamp globes—red, white and blue.

The "Monarch" Hand-lamp does not require any knowledge of electricity to operate. It simply plugs into the wall plug or light socket, and the Lamp is ready for operation. There is no danger when using this Lamp!

READ THIS! RELIEF AT 82!

C/o P.O., Tasman, NELSON.

"I am 82 years old, but anything I can do towards your interest I am only too happy to do so. I see you are selling Rheotherm Lamps . . . I imported one about five years ago from London British Medical Association. I had neuritis for about 12 years, and was nearly mad with the pain. It was dreadful. Well, I have no pain now! One of the doctors in Nelson says the Lamps are pain-killers. They are worth all the money! Anyone you know, if you could lend one, they would soon buy one. You can make use of this to any sufferer you like."
