So natural, soothing, and safe is this treatment that children, and even elderly people in weakened condition, obtain wonderful lasting healing benefits.

**UNLIKE MOST TREATMENTS
HELPS WORST CASES**

How does this treatment work such wonders? Simply because it is a Natural Method. This famous Swiss Scientist, after intensive research, discovered that Catarrh is really a disease of the blood, the underlying cause being due to nutritional deficiencies developing an abnormal condition of the vital life-giving, health-building bloodstream. This eminent scientist asserts that drugs, douches, sprays, and other local treatments afford temporary relief only. They do not root out the underlying cause. His new method completely supersedes the old method of treatment. Is different in conception—different in principle—different in results. It goes right to the root of the trouble—the bloodstream, and purifies it of all poisons—restoring new vigour, vitality and lasting freedom from Catarrh.
