**GLANDULAR TROUBLE
BUSINESS MAN
ESCAPES OPERATION**

How a well-known business man escaped a serious operation for glandular trouble is told in the following letter from Mr H. W. —, P.O. Box 693, Dunedin:

"I feel it my duty to record the wonderful improvement in my health which has been effected by Thyrodone. Thyrodone, in fact, has made a new man of me. I suffered from a glandular complaint which was dragging me down. I consulted a doctor, whose treatment effected an improvement in health up to a point where he advised that medicine would not cure, but that an operation was imperative. I resolved, therefore, to see if Thyrodone would do me any good, and commenced taking this preparation. In three months' time the results were so effective that I visited my doctor again. He was amazed at my improved condition, and after an examination informed me that an operation was not now necessary. He advised me to keep on taking Thyrodone. My health and nerves improved, and my weight went up. Since then I have never looked back, and now look and feel the picture of health."
