## Are YOU ILL? RHEUMATOID ARTHRITIS

Dr. Hay states that all disease—all departures from normal health—are merely variations of the once basic cause, i.e., acidity of the blood stream.

The tested and proven way to remove acid from the blood stream is by taking two or three doses of R.U.R. each week.

Safe for children and adults, there is nothing in R.U.R., that can possibly harm the heart or any other organ. Because of its alkaline nature, R.U.R. is also the best remedy for constipation. Thousands claim they cannot live without it. There is no need to take it daily.
