Hastings. "I have been getting wonderful results with my Hiker's One, but I thought if I had the exact condenser I might get better results still. Below is a list of the stations I receive: 2ZH Napier, 2ZP Wairoa, 1YA Auckland, 2YA Wellington, 3YA Christchurch, 4YA Dunedin, 2YC Wellington (as loud as 2ZH some nights), 1ZM Auckland.

Invercargill. "I must thank you for the way you serviced my order. I had my Hiker's One as per diagram, and so far have logged 1YA, 2YA, 3YA, 4YA, 4YZ, 1ZB, 2YC, 3ZB, 3YL, 4ZB, and also had 7LA Launceston, Tasmania, and 2KY Sydney in good strength. I am very satisfied with the set." (Sgd.) F.J.R.

Timaru. "The Hiker's One which I received from you a few weeks ago is a wonderful little set. I am just a beginner, and it presented no difficulties to construct it. I must thank you for your promptness in delivering the order." (Sgd.) M.C.

Waimate. "I have built the Hiker's One and am over-pleased with it. I think it a great little set, and I advise every Rahob to build one. I have logged 12 stations, including 4ZB and 3ZB." (Sgd.) J.B.

Mangonui. "My Improved Hiker's Set, which I purchased from you some time ago, is absolutely wonderful in performance. I have received stations 1YA, 2YA, 3YA, 4YA, 1ZB, 2ZB, 2BL Sydney, and other Australian stations whose call I have not heard. I am also very pleased with the battery performance." N.H.

Nelson. "Incidentally, the Hiker's One which I purchased from you in January for a friend is now going great guns, and he is well satisfied with it." R.M.

Nelson. "I am getting wonderful results from the Improved Hiker's One. I have logged 18 different stations so far, and am very pleased with it." (Sgd.) P.H.

Rangipo, National Park. "I have to acknowledge receipt of the Hiker's One Radio Set recently sent to me, and desire to thank you for the prompt manner of delivery. Your official receipt with 9d in stamps is also to hand. The set has been giving excellent results considering the distance I am from main stations, the best reception being received from 1ZM Auckland and 3ZB Christchurch." (Sgd.) D.B.L.

Turakina. "On speaker 2YA, 1YA and 2YC had to be turned down in a medium-sized room. Altogether I have got 14 stations clearly in one night. They are arranged according to volume: 2YC, 1YA, 2YA, 3YA, 1ZB, 2ZA, 4YA, 3ZB; Napier, 1ZM, 4ZB; 2UE Sydney, 4Y2. I use an aerial about 75 feet long and an I.C.A. Tuner."

Woodville. "I have now built the Improved Hiker's One, which is going good. I have received the following stations: 1YA, 2YA, 3YA, 4YA, 1ZB, 2ZB, 3ZB, 4ZB, 2YC, 2ZH, 2ZJ, 1ZM, 2NC, 2SM." (Sgd.) D.W.H.

Colyton. "In reference to the Hiker's One which I purchased from the Lamphouse in December last, I have now got it going, and I can say that it is a wonderful little set and I am more than satisfied with results so far. I have had eight New Zealand stations and one Australian station. 2YA, 3YA, 3ZB, and 1ZM all come in at very good strength, and the other three come in at fairly good strength. 2FC Sydney comes in as good as 2YA, my best station. I get 2YA and some of the others, including 2FC, as good on the phones as they come in through the speaker on a 5-valve electric set." (Sgd.) L.E.W.

WHAT CHILDREN NEED!

Is your child's weight right for his age? Is he filling out as he shoots up? Is he bright in school—active—rosy-cheeked—alert?

If you want to see your child gain in every way give him Thyrodone Emulsion. It not only adds 70 per cent. food energy to children, but with its content of organic iodine corrects and prevents incipient glandular trouble.

That is the big feature of Thyrodone Emulsion which renders it so superior to ordinary emulsions. Thyrodone Emulsion not only contains all the vitalising properties of a high-grade emulsion, including cod-liver oil, creosote and hypophosphites of lime and soda, but it also contains the rich organic iodine and other life-giving minerals and vitamins of Thyrodone, the famous sea-food vitality tonic.

Thyrodone Emulsion not only builds up healthy bodies and sound nerves, but corrects all tendency to glandular troubles and faulty metabolism.

Very flattering reports are being received from medical men as to the results they are securing with Thyrodone Emulsion.

Thyrodone Emulsion is not only very palatable to take, but is decidedly economical, as the dosage is in teaspoonfuls—not tablespoonfuls.

Ask your chemist about Thyrodone Emulsion.

The strength of Hansell's Cloudy Food Flavours is amazing... you need only a few drops to give full delicious flavour. The cloudiness denotes the strength and mellowness. Send 6d. in stamps to cover postage and packing, to

GEORGE WALKER SCHOOL OF WRESTLING,

G.P.O. Box 310 Y, Wellington.

Are YOU ILL?

Dr. Hay states that all disease—all departures from normal health—are merely variations of the one basic cause, i.e., acidity of the blood stream.

The tested and proven way to remove acid from the blood stream is by taking two or three doses of R.U.R. each week.

Safe for children and adults, there is nothing in R.U.R., that can possibly harm the heart or any other organ. Because of its alkaline nature, R.U.R. is also the best remedy for constipation. Thousands claim they cannot live without it. There is no need to take it daily.

R.U.R. TWICE A WEEK GIVES THE HEALTH YOU SEEK!

A 4/- packet makes 26 ounces.
