## Ousted By The Budget

The presentation of New Zealand's Budget the other evening had repercussions even in the mythical Balkan State of Borovnia, setting of the radio serial, "Soldier of Fortune." Because the Budget was on the air the final episode of this serial from 3YA was not broadcast till after 10 p.m. Apparently many listeners missed it then, for dozens of letters have been received, asking that it be repeated. This will be done by 3YA on Tuesday, August 15, at 8.38 p.m.
