THOUGHTFULNESS WINS A WOMAN

A sincere compliment to a woman... a little gift that she did not expect... a token of the fact that she was remembered through the day... will make her face light up, her eyes sparkle, her heart happy. The mindful man never takes a woman for granted. He knows that she will forgive almost any transgression, except neglect. The one best way to a woman's heart is — of course — a box of Queen Anne Chocolates.

A WOMAN NEVER FORGETS THE MAN WHO REMEMBERS
