(Continued on page 45)

## NOTICE TO ALL READERS

The absence of the ZB programmes in the last two issues of the "Listener" was due to a decision by the Commercial Broadcasting Service to direct special attention to the new daytime programme plan: "A Feature on the Hour—Every Hour." Publication of the evening programmes was resumed last week, and the day programmes, which have been undergoing revision as a result of this plan, will re-appear in our issue dated August 25.
