Amazing Short-cut Course for Beginners

Teaches in a Few Weeks

How to Measure, Cut, Design and Make Beautiful Clothes for All Occasions!

Special Offer to "Listener" Readers

A wonderful invention which makes it simple for anyone to cut clothes accurately in all sizes—the Foundation Pattern—is offered **Free** with every "Home Dressmaker Course" ordered in coupon below.

Why not have stylish, beautifully cut clothes for yourself and the children? Clothes for every occasion, street wear, beach wear, races, dances and holidays. Why envy other women who always seem to have "something different to wear"?

Be Independent From To-day

There is absolutely no need to depend for your clothes on the money saved from your weekly allowance or wages. You can NEVER be really well dressed that way. Even if you have a good dress allowance, you could use the money for other things—shoes, hats, bags, cosmetics, etc.

This amazingly concise, easy-to-follow instruction in dressmaking has brought happiness and independence to thousands of women in Australia and New Zealand.

No Experience Needed

It does not matter if you have never "sewn a stitch" before. The successful results with so many students, have proved conclusively that anyone with an ordinary school education and a sewing machine can, in a few weeks, master the secrets so clearly explained and illustrated in the "Home Dressmaker Course," which embodies American, English, and Continental ideas gained by an Australian expert who has coached many of the leading dress designers.

Bride Makes Trousseau

In a letter to us shortly after her marriage, Mrs. W.M. Christchurch, writes: "I was so short of both money and clothes that I did not intend to marry until next year. But your 'Home Dressmaking Course' for beginners solved all my difficulties. Three weeks after I started the course I made my first frock, and three months later my whole trousseau was completed. Two friends of mine who have recently started the course are progressing marvellously."

I owe it all to your wonderful 'Short-cut Home Dressmaking Course'—it's as easy to follow as A.B.C."
