Are YOU ILL?

Dr. Hay states that all disease—all
departures from normal health—are
merely variations of the one basic
cause, i.e., acidity of the blood stream.

The tested and proven way to remove
acid from the blood stream is by taking
two or three doses of R.U.R. each week.

Safe for children and adults, there is
nothing in R.U.R., that can possibly harm
the heart or any other organ. Because of
its alkaline nature, R.U.R. is also the
best remedy for constipation. Thousands
claim they cannot live without it. There
is no need to take it daily.
