THIS is Mrs. A. D. Houston, who will speak to listeners from 2YA on October 6, at 7.40 p.m., on "The Story of St. Francis of Assisi, in connection with the World Day for Animals." Animal-lovers should find much of interest in her address

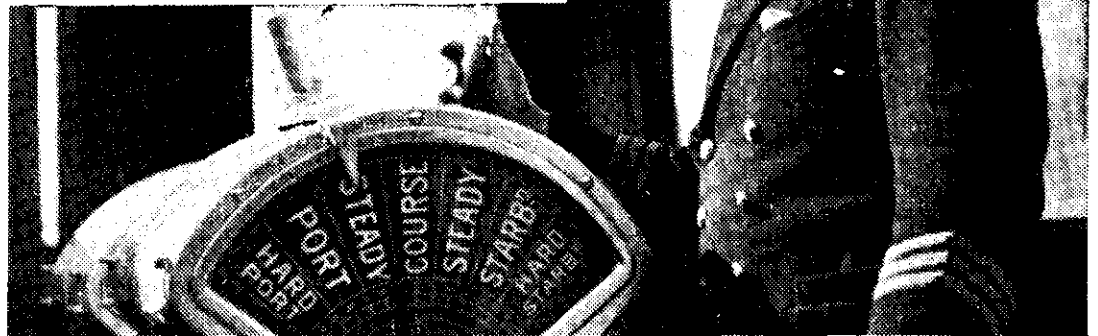

HECTOR BOLITHO (above) has, through his biographies of Royal personages, gained more of the limelight than usually shines on New Zealand journalists. His "Victoria and Disraeli," written for radio, will be presented from 1YA on Sunday, October 1, at 8.30 p.m.

FRED ASTAIRE became famous from the feet up, but film-goers have found his voice almost as attractive as his tap-dancing. Both will be heard from 3YL on Friday evening, October 6, at 9.50 p.m.

BLUEWATER SPORTSMAN is Captain A. H. Davey, master of the Awatea, and here seen at the telegraph on the bridge. He is the principal attraction of the "Sports Club" session from 4YZ on October 7, at 6.15 p.m.
