## The BURNDEPT Battery ALL-WAVE Receiver!

For real radio enjoyment of ALL PROGRAMMES you should hear the "Burndept"—the aristocrat of battery sets. Although of only three valves, it will give a performance equal to many 4 or 5 valve sets. The fact that it uses only three valves makes it most economical to run. The tone is excellent; it is entirely of British manufacture; it is easy to operate and tune; it is an ALL-WAVE set, whereas most sets offered in New Zealand are Dual-Wave only. As far as we are aware, there is no other battery set on the New Zealand market that can touch the "Burndept" for performance and value. Cabinet of highly polished walnut gives this set a superior finish.
