...avoid costly Litigation...

Many men often give permission to friends to name them as executors and forget the matter until suddenly called upon to act. Executorship requires, not only sound business judgment, but reliable legal knowledge too . . . Safe and competent administration at reasonable cost can be secured by appointing the Public Trustee as executor of your estate. Talk the matter over confidentially with one of the executives of the Public Trust Office. His friendly and sound advice may save your beneficiaries much money and worry.

The Public Trustee will prepare or revise your will free of charge, and hold it in safe custody, if appointed Executor.

Consult the Public Trustee or any of his branch officers.
