His Heart's Desire

## A SCHICK ELECTRIC Dry Shaver

Every man dreams of the day when he will be the proud owner of an electric razor, free for ever from the fuss, bother, and expense of blades, soap, brushes, and lotions. YOU can make that dream come true this Christmas.

### Only SCHICK—The Original Dry Shaver— Has The SCHICK Perfected Shearing Head!

The Schick shearing head, or cutter, has a patented construction that is vital to its shaving qualities. During twenty years of experimental work before the Schick was marketed, the inventor tested hundreds of types of shearing heads — angled heads, many-sided heads, wide ones, narrow ones — all kinds. The one he finally adopted gives all the benefits of dry shaving. It is exclusive with Schick, patented and protected by the U.S. Courts. It allows the hair to nestle just closely enough into the cutter. It crops the beard at face level — yet it positively will not cut the skin.

### 2,000,000 Users Prove SCHICK'S Claims

To-day more than 2,000,000 men use Schick Shavers. Many of them have used the same Shavers for five and six years — for 2,000 to 3,000 shaves. Even these men report their Schicks in top-notch condition. Only Schick can point to such a record of service! Only Schick ensures the Schick quick, CLEAN shave with amazing Comfort.
