 Valse

The story behind this charming Suite is based on an ancient Greek myth concerning the necklace and robe of Harmonia, articles that brought disaster to all who possessed

them. After they had caused the death of her husband, Alceon (incidentally a thoroughly bad lot, who had murdered his mother), Callirhoe, with the help of her two sons, avenged his death, obtained the articles of strife, and broke their fatal spell by presenting them as a votive offering at Delphi.
