**FOUR PRELUDES AND FUGUES** by Bach will be presented by Hilda Cohn (pianiste), whose portrait appears above, in a Bach-Haydn-Handel programme from 2YA on Tuesday evening, December 12. The programme is opened by Hilda Cohn at 9.25

**FAME** at the age of 20 was the portion of Constant Lambert (above) who, at that age, composed the music of the Diaghileff ballet "The Rio Grande." The orchestral programme from 4YO on Wednesday, December 13, features "The Rio Grande" at 8.23 p.m.

**FEW FAMOUS ARTISTS** have achieved more popularity with the rank and file of ordinary humanity than Fritz Kreisler, who has not disdained to play the humblest of melodies. The great violinist will be heard in the "Famous Artists" session from 4YZ on Sunday, December 10, at 3.16 p.m.

**THOUGH** it is now the focus of the world's attention, Finland is an unknown quantity to the majority of listeners, who are familiar with it only as the birthplace of Sibelius or of Paavo Nurmi. "A Visit to Finland" (4YZ, December 12, 9.30 p.m.) should therefore provide a welcome background to the news. The photograph shows lumber moving down a Finnish river
