EMPIRE SERVICE

As from Sunday, December 10, Transmission 2 in the Empire service will be closing at 1.45 a.m. One frequency change is also announced in this transmission: GST, 21.55 mc/s, replaces GSV for South America.

As all the BBC frequency announcements are now expressed in mc/s per second, this term has been used in the schedules printed below.

The News Bulletins in English from stations throughout the world remain unchanged.
