Mr. Chalmers, K.C.: "The Bannister Case" (chapter 2)

A further exploit of that very confident and very successful barrister-detective, Royston Chalmers. First interviewing his client and learning the details of the case; then, often at considerable risk to himself, going down the tortuous byways of the criminal underworld to complete his evidence, Royston Chalmers and his faithful clerk, Hamilton, often succeed where the police have been forced to confess themselves baffled.
