MOTHS!

They're Breeding Now
 Quick! Kill Them!

Don't think because you don't see
 moths that they are absent! The eggs
 may be there! And they'll hatch into
 grubs! Watch your rugs, blankets,
 winter clothing, etc., etc. — they're
 irreplaceable today! Take no risks!
 Spray or rub with **Mothpruf**. Moth-
 pruf is death to all moths and silver-
 fish — harmless and stainless to
 materials. Use every three or four
 months for continuous protection.
 All grocers and stores sell **Mothpruf**!
