FRESH EGGS EVERY DAY! how to solve the EGG PROBLEM

A well-cared-for pullet lays 150 eggs in her first season! Think of bringing in fresh eggs daily from your own hen-house! It's an easy solution to the egg problem, for a few well-bred laying hens are little trouble or expense. They eat up the house scraps and with the regular addition to their mash of Laymor Poultry Tonic, will keep healthy and vigorous and, consequently, lay regularly. Plenty of grit, suitable green food and a reliable tonic are all they need, and your grocer or store has Laymor Poultry Tonic.

L17/3

For all the Family!

Young and old benefit from the morning "bubbling moment with Andrews". Andrews is effervescent, pleasant tasting—a really refreshing drink. But it is much more—it gently clears away all clogging impurities, purifies the blood, leaving the system fresh and invigorated. It is entirely harmless and not habit-forming.

BUY THE LARGE SIZE—

IT'S BETTER VALUE
