# SMASH CATARRH

Bronchitis, Antrum and Sinus Trouble.

Although it is no longer necessary, thousands still suffer the misery, unpleasantness and illness of Catarrh. His face pasty and yellow—his breath sour, and his vitality destroyed by poisonous germs, the Catarrh sufferer is indeed a pitiable object. Catarrh begins in the nasal passages, often resulting from a neglected cold. It is caused by germs. Catarrh may cause serious chest complaints, deafness, head noises, constantly recurring colds, indigestion, constipation, skin troubles, etc. Catarrh gradually grows worse and does not get better without bacteriological treatment. Lantigen is such a treatment

and treats Catarrh successfully by attacking each germ separately. Catarrh germs are destroyed and removed, and immunity is built up so that the symptoms do not return.
