some months before. This contemporary Soviet composer shows an amazing versatility in the way in which he can score for solo instruments and can have an almost orthodox fugue-like style for the soloists. It is so extremely different and really fantastic at times. However, an acid test of its value was the manner it could hold the attention of even the more staid and fastidious classical disciples in the great audience.

Any Ipana Today?

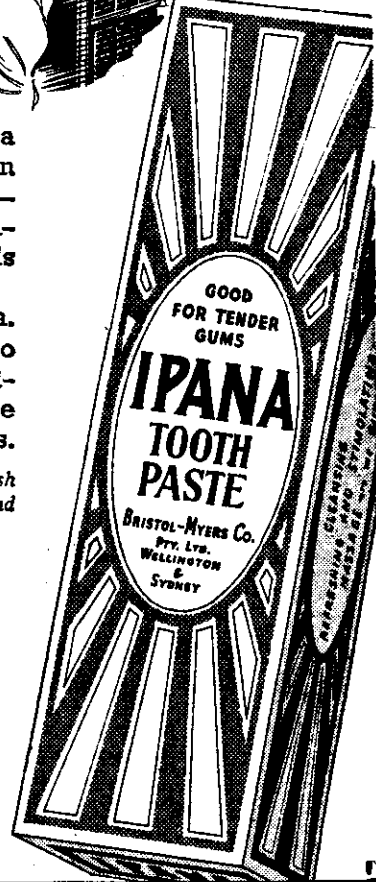

Perhaps you cannot always get a tube of Ipana Tooth Paste when you ask for it. The reason is—shortage of tubes due to war conditions. Tin and other metals have gone into action! But—keep on asking for Ipana. Supplies are fairly distributed to retailers as they become available, and tubes will shortly be available in increased quantities.

Dental Helps!—Do these two things: (1) Brush teeth at least twice a day, after breakfast and before bed; Visit dentist twice yearly.
