## HOW MANY EGGS DO YOU GET . . .

**Mr. Backyard Poultry Farmer . . .**

You can get plenty of eggs right through the winter if you feed your hens right. Remember—a healthy hen produces at least 113 eggs a season. But remember that hens, like humans, need a Tonic to help them at times. Thousands of poultry farmers have found that to build them up to tip-top health after the autumn moult Laymor Poultry Tonic is unequalled. Laymor does not force unnatural laying to excess. Laymor builds healthy birds so that full, regular egg production is the natural result. Get the most from your hens—your grocer or store has Laymor Poultry Tonic.

L20.3

Inner Cleanliness is the most important of all health rules and the easiest to follow. Just take a glass of sparkling effervescent Andrews as often as your system needs its cleansing help. Andrews cleanses the mouth and tongue, soothes the stomach, corrects acidity. It stimulates the liver, thoroughly corrects constipation.

**Excuse me—  
INNER CLEANLINESS  
is easy with ANDREWS**
