

FIGHTERS

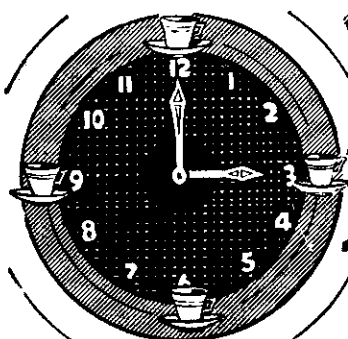

**KNOW WHAT
HAPPENS TO**

*Patriotic
funds*

If you want to know where patriotic funds go—ask a fighter. He'll know. He's the only one that can have a real understanding of the things patriotic funds do. He knows that without them there'd be no hostels and rest huts—no sports gear, no mobile canteens and cinemas . . . no comforts, no patriotic parcels. And those things are everything to a fighter. So keep on making them possible as long as our soldiers, sailors, airmen, nurses, servicewomen and merchant navy keep fighting for freedom.
