

WHO SAID IT'S ALL OVER?

Sixty of our bombers went out. Only five failed to return . . . "

Only five planes; only fifty men who won't be here to listen to the bells ring on Victory Day.

Who said it's all over?

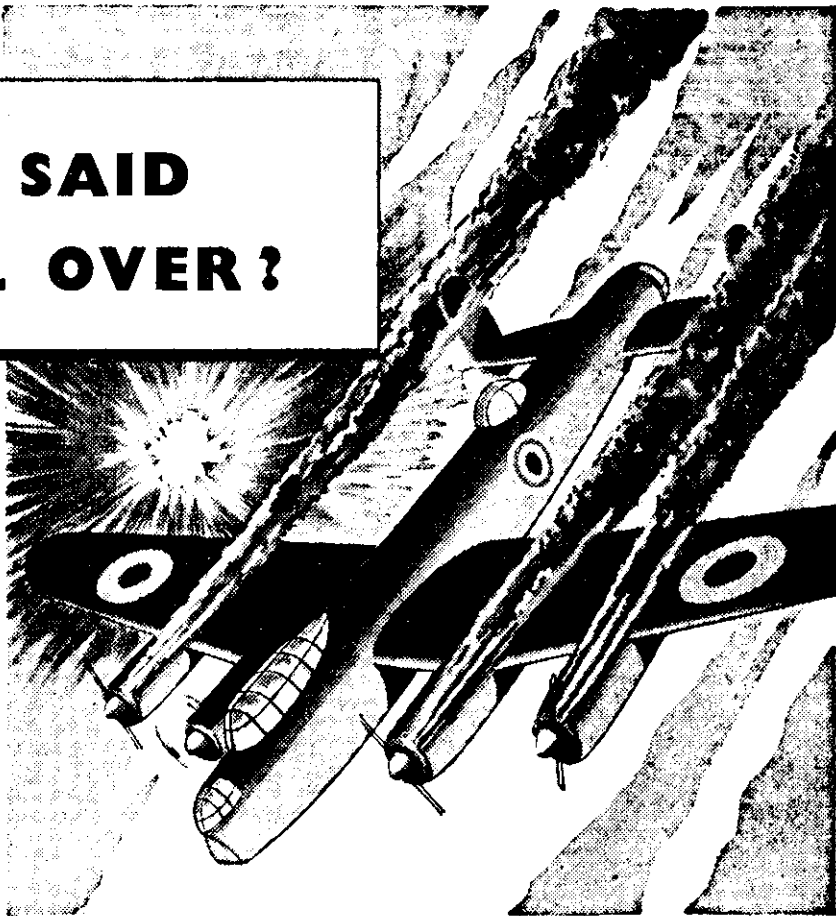

We need fewer guesses about when it will end . . . more solid effort to make it end.

There's this Victory Loan.

£40,000,000 pledged to speed Victory.

That's a job for you. It involves no sacrifice, no loss, just lending.

Make your salute count. Squeeze your pocket book and bank balance. Get in this Victory Loan. You're investing for the greatest stakes of all . . . Victory and Peace.
