# PLENTY OF EGGS!

## Easy Home Production

If you've a sunny corner in your garden — why not put in a small hen-house and keep a few laying hens! It's really easy — and widely encouraged today by the authorities. Buy good laying breeds, feed them well and see that they are kept in the pink of condition by a regular amount of Laymor Poultry Tonic in their morning mash. Laymor is not a fierce egg-forcing spice — it is a tonic to maintain hens in perfect health — and so promote regular laying. Laymor is particularly important during moulting weeks and winter. Your grocer or store has Laymor Poultry Tonic. L.18.3
