"I do like
that stuff!"

Who says men never notice what you're wearing! They certainly do—when it's a Tootal crease-resisting fabric! Of course, it's a tribute to your choice of a charming design and subtly blended colours: graces you'll find in all these favourites—Tootoile, Toolina, Robia, Lombardia, Wucil. They all wear wonderfully and keep their colours despite soap and sunshine. All are Tootal guaranteed and branded 'Tebilized' for tested crease-resistance.
