

# INFERIORITY COMPLEX

ERADICATED FOR EVER

**W**ONDERFUL and revolutionary discoveries and developments have taken place during recent years regarding the laws and forces that govern our lives. In all parts of the world scientific psychological research has been throwing its searchlights into the mysterious corners of the human mind. The British Institute of Practical Psychology is enabling thousands of men and women to share in the benefits of modern psychology through **AUTO-PSYCHOLOGY**—a great help towards successful living—which everyone can understand and apply to himself or herself.

**Thousands Are In Need  
Of Help To Overcome  
Causeless Fear, Habits,  
Nervous Apprehension,  
Worry, Self-Consciousness**

Only the self-conscious and nervous really realise the full tragedy of their affliction—the doubts and fears, the self-criticism, the friendlessness, the hours of brooding over "what other people think of me," the regrets for opportunities lost, the bitter pain of seeing lesser men and women pass them in the race of life. Yet such men and women, directed in the right way, have the power to win heights that dull, phlegmatic natures could never reach.

An Inferiorty Complex is a disturbance in sub-consciousness, a source of powerful negative impulses, which manifest themselves in various personality-weaknesses, such as deprive you of happy, care-free social joys—prevent you from progressing in your chosen business calling—depress you with anxieties, fears, and other groundless worries—render you ill-at-ease in the presence of superiors or shy and tongue-tied with the opposite sex—weaken your memory—thwart your endeavour to find the right life-mate—ruin your married harmony—cause inability to make decisions—weaken your will power—overwhelm you with "stage-fright"—make you sick with nervous apprehension at the prospect of an important interview.
