

**'Dear Friend,
can you help'**

No man would like to think that his widow, some day, might be forced to ask others for help.

To provide security, to ensure safe and efficient handling of his family's inheritance is every man's clear-cut and simple duty.

Nor is it a difficult one. The Public Trust Office will be pleased to explain to you what steps you should take—to make or revise a will, and to appoint an executor or trustee.

In spite of the alternative attraction in this instance, it's a clear expression of delight in that present day rarity—a brand new wartime B.S.A. Bicycle. But post-war models will indeed be a sight worth seeing. For sheer splendour of colour, design, and performance, the only thing to equal one B.S.A. bicycle will be another wearing the same famous three letters. Some more B.S.A. bicycles are now coming into the country. Ask your dealer if he has one available for you—you may be lucky. Or—put your name down, and be sure of it when it arrives.
