## EXCESSIVE FOOT ODOUR

an unhealthy condition

## WITH A REMEDY

Excessive foot odour (Bromidrosis) is a functional disease of the sweat glands due to bacterial growths. It has a remedy—Dr. Scholl's Bromidrosil Powder—a soothing powder that immediately neutralises offensive smell while it attacks the bacteria. Dusting feet, socks and shoes daily with this new powder will eventually restore the normal healthy perspiration of the feet.

Use Dr. Scholl's Bromidrosil powder, too, for treating Athlete's Foot in conjunction with Solvex. Price 3/9½ at all Dr. Scholl dealers.
