Philips Lamps, Valves and X-Ray equipment P.2

## The care of the Eyes in the Home

*Here are a few simple hints that will help keep your eyes healthy and comfortable.*

- (1) Sleep with the window well open. Fresh air benefits the eyes.
- (2) Don't read facing or backing the window. Arrange if possible, for the light to come over your left shoulder.
- (3) Never rub the eye if you have a piece of dirt in it, or if you have a sty or boil. Always bathe the eye and if the trouble persists, consult a doctor.
- (4) Don't read in bright sunlight or twilight.
- (5) If you have the slightest doubt as to the efficiency of your sight, consult a Qualified Practitioner at once.
