OLD and NEW WAYS...

You can shear a sheep by hand and make a good job of it. But what a slow and costly process it is compared with the use of modern machines. In the same way you can leave to your family full management of your estate and the attendant worries about investments, mortgages, payment of death duties and other charges—all in addition to their daily farm routine. But then again you can let the modern, efficient, helpful service of the Public Trust Office lift all these troubles and exacting details from their shoulders.

The experience of over 70 years in the administration of Farm Estates is an assurance of personal and efficient protection and advice.
