WAR URGES SCIENCE TO NEW INVENTION

Everywhere the Forces speak with pride of their ships, planes, tanks, guns. And justifiably. They're perfection for their job. War drives science to it, then the perfection war-learned is applied to peace production. ● Your Peace Rainster—and there'll be one for all then—will be the better for the war. New waterproofing,* new materials, new method better than ever before will all go to the making of Rainsters better than ever before. ● But Rainster must help win the war first: Rainsters for the Forces must still come first. Then! Then you'll have a Rainster and how proud you'll be to say: It's a Rainster!

* The famous Rainster-proofing is the secret of the praise everywhere for Rainster by the men and women of the Forces.
