They laughed when I sat down at the piano

—but they were amazed at the music I played!

We had taken a "Surprise Party" for Aunt's birthday and wanted a singing to start the fun. No one could play—and thought I couldn't, either—and chuckled when I offered. But in a minute they were singing lustily to my accompaniments of many new and old-time songs. Soon I had them dancing: a fox-trot, a modern waltz, a one-step. Yet 6 weeks ago I couldn't play a note: that was before I started the quick, easy, PLAY-BY-EAR course with the Niagara School of Music. I've been invited to scores of parties since, so naturally I'm thrilled with what I've learned with so little effort, without tiresome scales and exercises.

YOU, too, can do that—and a lot more!

Send 2d stamp for descriptive booklet, "The Niagara Secret."

Post Coupon and learn how.

The Niagara School of Music,
53 Robertson Street, Invercargill.
Enclosed is 2d stamp for "Niagara Secret."

VI-MAX in the PACIFIC

Millions of pounds of VI-MAX have gone to the Pacific for the Fighting Services. Here is proof of the value of vitalising, non - heating VI-MAX.

The idea that porridge should not be served in hot weather has been discredited. In the first place pre-cooked, ready-to-eat cereals cannot replace porridge because they have lost essential vitamins.

Secondly, VI-MAX porridge is non-heating and should be served in all households all the year round.

Another VI-MAX advantage is that VI-MAX has less "crude fibre" than whole wheat. "Crude fibre" contains a decalcifying agent. VI-MAX, therefore, provides more vitamins through added wheat germ and more calcium for bone and teeth building.

COARSE or FINE at your grocers at pre-war prices. D. H. Brown and Son, Ltd., Moorhouse Avenue, Christchurch.

SIGN LANGUAGE

To those who can read a radio circuit this symbol signifies a valve known as a Double Diode. In your broadcast receiver, such a valve will be doing the important job of "full wave rectification". However you do not really need

to know all this to get the best possible service from the valves in your radio. Simply ask your serviceman to "Revalve with Radiotrons".
