★ PUBLIC NOTICE

TO ALL WITHOUT A RAINSTER RAINCOAT

Every now and then you hear someone say: 'What do you think, I got a Rainster the other day!' So keep on trying for yours . . . the top-notch, the best THE raincoat; Rainster.
We're proud, overwhelmed by the demand. But we're sorry too, sorry you can't get yours.
The men and women of the Forces must have theirs — because they're the best; for them 'Rainster' and 'Raincoat' mean the same thing. Just as they speak with pride of their armoured cars, planes, ships, so they speak of their Rainsters. It will be a great day when you get your Rainster.

"A SIGHT FOR SORE EYES!"

In spite of the alternative attraction in this instance, it's a clear expression of delight in that present day rarity—a brand new wartime B.S.A. Bicycle. But post-war models will indeed be a sight worth seeing. For sheer splendour of colour, design, and performance, the only thing to equal one B.S.A. bicycle will be another wearing the same famous three letters. Some more B.S.A. bicycles are now coming into the country. Ask your dealer if he has one available for you—you may be lucky. Or—put your name down, and be sure of it when it arrives.
