MYSTIC SYMBOL

Seeing this mystic symbol in the circuit diagram of a modern radio receiver, the expert might exclaim "Ah! a Pentagrid Converter". Most likely you are more interested in getting the longest possible period of service from your radio valves than in radio technicalities. Therefore,

whether a Pentagrid Converter or any other valve in your radio needs replacing, ask your serviceman to "Revalve with Radiotrons."

THE GOOD THAT COMES FROM WAR

Sounds like a paradox. But your Peace Rainster will be the better for the war. Why? ● Everywhere the Forces speak of their improved ships, planes, tanks, guns . . . astonishing improvements not foreseen in peace. For war drives science to excel itself . . . drives endlessly. ● This is working for a better equipped peace. When peace says Go! Rainster will make raincoats in which you'll proudly say: 'It's a Rainster!' For Rainster's all set to go: is keeping pace with science. ● If conditions allowed, you would have these Improved Peace Rainsters now . . . in better variety, with better style, better materials.* But while the war lasts, it's Rainsters for the Forces . . . and more Rainsters.

* The famous Rainster-proofing is the secret of the praise everywhere for Rainster by the men and women of the Forces.
