VICTORY MUST BE PAID FOR

—AND THE COST IS OVER
£500,000,000 SO FAR!

Each one of us must pay our share of the cost of Victory. In terms of population the war has already cost each man, woman and child in the Dominion the sum of £300. AND THE COST STILL GOES ON until all our Service men and women are rehabilitated.

Just as every fighting man, in every field of war, has given his utmost towards Victory—many of them life itself—so must each of us at home LEND TO THE UTMOST and make a resounding success of the 1945 Victory Loan.

It can be done—quickly—if everybody will act right away. Whether it is much or little, your country needs YOUR share.

3 WAYS TO INVEST
