15. Pays back, but not in the same sense as in 8 across.
16. Prickly plant.
17. Teach to deceive?
19. If you have a 4 across you'd probably be this.

(No. 256: Constructed by R.W.C.)

**Protect Carpets with Pestpruf.**—Use the fine Crystalline powder—Pestpruf—under carpets. It will safeguard your treasured floor-coverings against moths and other insect pests. All stores sell Pestpruf, which is the most powerful Moth Killer.

## WAR GIVES A FILLIP TO SCIENCE

Science can't lag in war. Perfection, perfection, that's the job of science! . . . until the Forces tell with pride of the perfection of their guns, ships, planes, tanks. War gives science a fillip, makes it extend itself. ● Already new inventions are being turned to a better equipped peace. Your Peace Rainster is going to be even better. Rainster is all set to leap ahead with improved styles, improved waterproofing,\* improved materials, better than ever before. ● In your new Peace Rainster you'll be proud to say: It's a Rainster. But Rainster must help to win that peace first . . . with Rainsters for the Forces.

*A coat we would like to be making now.*

\* The famous Rainster-proofing is the secret of the praise everywhere for Rainster by the men and women of the Forces.
