# Mr. Smith's walking on air!

But a few weeks ago Mr. Smith took a dim view of life because Mr. Smith was always tired, listless, and generally grouchy. In other words, not regular.

For the remarkable change in Mr. Smith's health and outlook, San-Bran is partly responsible, for San-Bran provided in appetizing form, the bulk or roughage necessary for promoting proper elimination.

San-Bran, a finely-milled, cooked bran, rich in valuable minerals and not harshly irritant, is a pleasant dish on its own. Added to the morning cereal, desserts, and baking, it imparts a pleasingly different taste.

Taking San-Bran regularly and keeping to commonsense living habits will help you to regularity. Try it and see.

## TAKE SAN-BRAN AND KEEP FIT

San Bran is a product of the Sanitarium Health Food Company, Harewood Road, Papanui, Christchurch.
