The beauty nature intended

The beauty nature intended . . . with the aid a Berlei gives! A girl's figure is nothing without a bosom; and a bosom is nothing without a Berlei-Bra!

The very special something about a Berlei-bra is that each size comes in many different shapes . . . to fit subtle differences in bosomy curves. There might be anything up to seven different types in your own fair size, for instance; you are sure of your own perfected shape amongst them. It is multiple-fitting come to brassieres. And oh, oh, oh, the difference it can make to comfort as well as looks, being so fittingly, so beautifully Berleified!

★ Try it on before you buy it. Now there's little elastic, it has to fit exactly.

Ailing Eileen
she used to be:
Now Full of Sparkle

There was always something wrong with Eileen, and her worried mother sought advice. "Just constipation" was what she heard — "Give her California Syrup of Figs whenever tongue is white or she seems 'off colour.' It's quite safe because Califig is made specially for children." That did the trick. Eileen loves her Califig because it is so pleasant and acts so gently.
