

## STRETCH A

# Grafton HANDKERCHIEF

as often as you like . . . only a long-wearing Grafton is strong enough to take tugging and strain.

## STRETCHING A HANDKERCHIEF

Loosely roll your Grafton handkerchief rope-wise and gather up into the hand (Fig. 1). Then hold in the position of Fig. 2. Grasp top and bottom ends alternately, and apparently exerting great pressure, the handkerchief is slowly stretched to twice its size. A simple illusion which can be very mystifying.

## Pinch me someone!

Every time I look at my carpets I tell myself I'm dreaming. Yesterday they looked fit for the dustman—today they'd flatter a palace. Spots? gone! Stains? gone! Colours? as bright and rich as the day I bought them. And all I did was to go over them with Colourtone Carpet Shampoo.

The rich cleansing lather of Colourtone Carpet Shampoo lifts trodden-in dirt; removes most stains and marks; helps restore faded colours to new brightness. Colourtone is easy to use, safe to use, cheap to use. It costs little to clean and brighten carpets, upholstery, and other heavy materials.
