## What a friend! If YOU have **INDIGESTION**

When food  
lies like lead on  
your stomach  
and after-meal  
pains take all the  
pleasure out of eating,  
you need help. And  
what a friend in need is  
the sky-blue canister of De  
Witt's Antacid Powder.  
Immediate relief from pain...  
stomach soothed and settled  
...discomfort disappears...  
what a relief!

De Witt's Antacid Powder neutral-  
ises excess gastric acidity so quickly  
that even after one dose you may feel  
the pain dispersing and your sour,  
disturbed stomach beginning to settle  
down. Such speedy relief is a godsend,  
but De Witt's Antacid Powder does  
more than ease immediate distress. It  
soothes and protects the inflamed

stomach lining, so that your next  
meal will not further irritate an  
upset digestive system. For that  
reason the prompt help of De Witt's  
Antacid Powder often prevents simple  
digestive upsets from developing into  
chronic dyspepsia.

So, if indigestion is making  
you turn from the very sight  
of food... if you are always  
wondering *dare I risk it?*  
before eating the things you  
like... surely it's time you  
turned to De Witt's Antacid  
Powder for the help you so  
obviously need? Get the sky-  
blue tin from your chemist.
