**CLOTHES SHORTAGE**

Remember how bad moths were last summer. Don't risk serious damage to the good clothes and furs which you cannot replace.

**MOTH and DUST-PROOF STORAGE WARDROBE****ONLY 30/- POST FREE**

This ingenious invention has reached New Zealand at a time when MOTH DAMAGE IS MOST SERIOUS BECAUSE pre-war quality clothes CANNOT BE REPLACED. Each year in New Zealand thousands of pounds worth of beautiful furs, tweeds and woollens are RAVAGED BY MOTHS AND SILVERFISH. Perhaps so far you have been lucky, but this year moths are everywhere, and one moth can ruin your most precious furs and irreplaceable clothes. Why take risks? In U.S.A. to-day women in homes, apartments, hostels and on farms and military camps are "SAFE SEAL-ING" their good clothes—the ONLY 100% SURE WAY to keep out moths and dust. Camphor balls and moth sprays are not sufficient. You must SEAL your clothes for SAFETY.

**NEW AMERICAN "SAFE-SEAL" CEDARISED—PORTABLE—GUARANTEED****NOTE THESE FEATURES:—**

1. Clothes are hung in correct shape, not folded.
2. Material cedarised for double protection.
3. Easily opened to remove or store clothes, but once sealed moths cannot enter.
4. Ample depth for long frocks and width for several garments.
5. Space at foot for woollens.

"SAFE SEAL" is a storage bag, shaped like a wardrobe, with room for four or five coat-hangers, to hold in correct shape a fur coat, dinner suit, tweeds, frocks, etc.—with ample room at foot for cardigans, jumpers and other woollens. Fits neatly into average cupboard—a wardrobe within a wardrobe—a second and impregnable line of defence against marauding moths and silverfish. Portable and collapsible; folds neatly for travelling—ideal at beach or camps—popular also in flats, hostels and apartments when extra storage space is needed. EASILY AND QUICKLY OPENED to remove or store clothing.

**KEEPS CLOTHES NEW**

Dust seeps into wardrobes of even the newest and cleanest homes. Dust spoils good clothes. Keep your lovely evening and street clothes clean and "shop fresh" in a "SAFE SEAL"—they will last longer and will give you more pleasure to wear.

**TREATED WITH D.D.T.**

The Safe Seal Storage Bag is so constructed that when sealed moths cannot possibly enter it. Your clothes are 100% safe. However, as an ADDITIONAL PROTECTION every Safe Seal is treated with the well-known D.D.T. insect spray both inside and outside.

**MONEY BACK GUARANTEE****WILL LAST FOR YEARS**

This amazing value is made possible only by Direct from Factory selling at Wholesale price. The "SAFE SEAL" is worth AT LEAST £2/2/-—it may save you £100 in clothes protection.

**7 DAYS' FREE TRIAL**

You take no risk whatever in ordering a "SAFE SEAL." You try one for seven days and if not entirely satisfied in every way you may return it, and receive your money back in full.

**— SEND 30/- TO SAVE £100 —**

"SAFE SEAL" Distributors, P.O. Box 5083, Lambton Quay, WELLINGTON. Please send on your Trial and Return Offer one "SAFE SEAL" Storage Bag at the wholesale price of 30/- (add exchange for cheques). I enclose this amount on the definite understanding that I may return the "SAFE SEAL" to you and receive my purchase money in FULL if I am not more than satisfied.
